Stanford Pediatrics Residency Program Program

Excerpts:

"The Stanford Clinical Opportunity for Residency Experience (SCORE) Program is a funded clerkship for underrepresented in medicine (UIM) medical students to gain clinical exposure to pediatrics in an academic setting and serve our diverse population...The SCORE program, along with their use of holistic and inclusive recruitment practices, has led to them recruiting classes with greater than 20 percent UIM residents for the last five years."

"Our residency program is the crown jewel of diversity, equity, and inclusion initiatives in the Department of Pediatrics and School of Medicine."
